Dawn 2016 news and politics News The real reason I didn't watch this show was because of my love of Tanhaiyaan. Its not that I hate this show. In fact, I love the character's, the home life and the story that they tell. But if I ever watched it, this show would have ruined it for me. I love all the songs that they sing. Especially Tanhaiyaan Jalnao. And Dussi ke Chale is just one of my favorite songs that they sing. And Beghota shayaa tanhaiyan, for me, is a masterpiece and a monumental song. I just had no option. All the characters in this drama are just too much in my love and I couldn't enjoy any of the songs or scenes that I'm supposed to enjoy. I did read the article on the Tanhaiyaan's story. And it's amazing! A Pakistani drama, first aired in 1985, which still remains one of the greatest in the history of Pakistani television! It made me think of how Indian people/Indians view our history. And yes, I am Pakistani and proud of my country! This show is on a benchmark of a great drama on Pakistani television and I respect this show! I think the contrast of the life styles in the Pakistani and Indian society is what's unique about this show. Abbo, There
